TOO MANY PENALTY CARS.  
New Haven Road Likely to Withdraw From American R. R. Association.

New Haven, Conn., Sept. 25.—In the absence of President Mellon, the final decision of the New York, New Haven & Hartford Railroad company as to its withdrawal from the American Railway association on the ground of the increase of car demurrage could not be officially obtained yesterday. Inquiries in railroad circles showed that in all probability the company would not renege from its position and that the withdrawal would take effect on Oct. 1. In connection with the subject it was pointed out in railroad circles here that prior to July 1 the rate for foreign car service was twenty-five cents a day for the first thirty days. It was customary for the owning road to issue penalty notices on its cars after they had been on the New Haven lines for twenty days. At the expiration of thirty days a car because what was called a penalty car and thereafter the New Haven company would be assessed \$1 a day. At the expiration of thirty days the New Haven road has made successful endeavors to get rid of all those penalty cars, but other roads especially those at the west have had and have now many hundreds of them.

It is definitely ascertained that the position of the Boston & Maine company in the matter is neutral and that the company is awaiting the final result of the complex situation which will follow the New Haven's withdrawal.

## GANS WILL RETIRE AFTER MEMSIC BATTLE

Colored Champion Says He Is Through With Game—Hopes White Men Will Give Johnson a Chance.

Los Angeles, Sept. 25.—Joe Gans, the champion lightweight of the world, will retire from the ring after his fight with George Meems next Friday night.

"Win or lose with Meems, I am going to quit this business," said the statement with which the Baltimore man wound up an earnest talk Monday afternoon out at Arcadia after he had entertained a crowd of 2,000 persons at his training quarters.

There is just this last thing that I would like to say before I drop out of sight," said Gans. "I sincerely hope that the white fighters—the top-notchers, I mean—will deal squarely with the colored man. There are two colored men in particular that I would like to see given a chance against the white men who claim heavy honors. They are Jack Johnson and Young Peter Jackson. I think so well of the chances of Johnson that I am willing to back him with \$5,000 of my own money against any heavyweight in the world, Jim Jeffries excepted, and Tommy Burns preferred for a finish fight."

The champion is in perfect condition. He is at the required weight, 135 pounds, which will allow him to come into the ring next Friday night carrying every ounce of his fighting forces with him.

## EX-CROWN PRINCESS MYSTERIOUSLY GONE

Belief That She Has Slipped Away to Be Married.

London, Sept. 25.—An investigation of the report from Leghorn, Italy, yesterday, that the Countess Montenegro, former crown princess of Saxony, and divorced wife of King Frederick Augustus, was to be married in London today to an Italian singer named Toselli, has shown that there is some doubt whether the countess and Toselli really came to England.

An official of the continental embassy who is interested in the countess's case said yesterday that the embassy officials had been unable to ascertain whether she had been in London recently, and doubted the report of her intended marriage for her divorce from Frederick Augustus was not absolute and the countess, if she remarried, could be prosecuted in most continental countries for bigamy. The official added:

"If she has gone through the form of marriage the condition of affairs is more serious than has been considered. There is no record in London of any special license having been issued, which would be necessary in the case of non-residents desiring a church marriage, but there are sixty-five registry offices in London alone where a civil ceremony might be performed."

## RECEIVER FOR N. Y. CITY RAILWAY.

Outside Creditor One of the Petitioners to Judge Lacombe—Action a Friendly One.

New York, Sept. 25.—The first step to wind up the affairs of the street railway corporations of this city and place them on a paying basis came yesterday, when the promised application for a receiver for the New York City Railroad company was made to Justice Lacombe in his chambers.

The petitioners are the Penn State company and the Deegan Contracting company. Counsel for the company admitted the allegations made in the complaint and joined in the application for the appointment of a receiver.

Judge Lacombe appointed Adrian H. Joline and Douglas Robinson as receivers and fixed their bond at \$250,000 each.

Policy of Russian Constitutional Democrats

TO GET THE UPPER CLASSES

Eight Executed Without Trial at Lodz—Declared Concerned in Murder of Mill Owner.

St. Petersburg, Sept. 25.—In the latter part of the preliminary elections here for members of the third Russian Parliament, the Constitutional Democrats being in the minority are trying to make up for this by presenting as candidates men of exceptional prominence, thus hoping to be able to attract the votes of the upper classes of the people.

Soldiers May Not Change Religion.

The Holy Synod has issued a decree announcing that soldiers are exempted from the operation of the manifesto of October last, giving Russian subjects the right to change their religious belief. The decree adds that so long as soldiers are serving with the colors they must remain members of the orthodox church.
